

DESIGN LAYOUT FOR MAILING SIDE OF CARD

[Click to download enlarged image](#)

Following this layout will allow us to get you the best automated postage rate from PressCo Printing.

● Orange area:

This is the area where the mailing address and bar code go. Leave this area clear.

● Green area:

The Post Office will scan the area 2-3/4 inches from bottom of card for addresses. To prevent the cards from being sent to you instead of your addressee, do not put a complete address in this area.
